

Discharge silos SLA

Forwarding silos are designed to dry grain, oilseed rape, maize, legumes and seeds and other bulk materials.

Forwarding silos are used for quick shipping grain to cars, so you can maximize the performance of other devices.

Type	useful capacity	capacity for wheat (0,78t/m ³)	total height	height of part
	m ³	t	m	m
SLA 4,5				
SLA 4,5/9	191	148	18,55	10,85
SLA 4,5/8	171	133	17,35	9,65
SLA 4,5/7	151	118	16,15	8,45
SLA 4,5/6	132	103	14,95	7,25
